

# A Million Dollars for Ministry

That's how much more we would have for ministry instead of using it to pay interest if we would eliminate our debt in three years instead of twelve and a half. \$20,000/month is needed.

I'm asking you to commit to a monthly amount above your regular giving in 2015 (you will have the opportunity to change your commitment in 2016 if you desire).

Please check an amount  
as we partner together to reach this goal.

- \_\_\_\_\_ \$1,000/mo x 1 donor = \$1,000/mo
- \_\_\_\_\_ \$500/mo x 4 donors = \$2,000/mo
- \_\_\_\_\_ \$100/mo x 30 donors = \$3,000/mo
- \_\_\_\_\_ \$75/mo x 40 donors = \$3,000/mo
- \_\_\_\_\_ \$50/mo x 100 donors = \$5,000/mo
- \_\_\_\_\_ \$25/mo x 200 donors = \$5,000/mo
- \_\_\_\_\_ \$10/mo x 100 donors = \$1,000/mo
